WORK

## DO YOU:

- Earn points when you shop?
- Receive discounts and promotions at your local grocery store?
- Use your points for hotels or airfare?
- Earn special points when you sign-up for a credit card?

## On JANUARY 1st Your Loyalty Reward Programs Could Disappear

### WHY?

Under a new law going into effect January 1, frequent flier miles, rewards levels, hotel points, and other retailer programs could be erased or changed, which would impact millions of Californians who have spent years acquiring these points and rewards. There is legislation - AB 846 - would make sure your loyalty and rewards programs can continue.
